Hello, yes, no, toilet, sorry, stop, drink

Cultural Capital and British Values

During this topic we aim to increase the children's Cultural Capital and develop their British Values by learning about the following:

Artist- Elma Thomas
 Respect for our property learning how to follow our school rules.

Understanding the World		
Past and Present	The Natural World	People Cultures and Communities
<p>Starting Nursery-Learning names, teacher names, greetings, Talk about summer holidays, naming different experiences.</p> <p>To know I have changed since I was a baby, to describe humans at different ages/life stages. We will look at baby photos and how we have changed. We may have a visit from a baby and see how their needs are different to ours.</p> <p>I know how I look after myself and can compare this to how a baby is looked after. We will learn how to brush our teeth correctly, take home teeth brushing packs and demonstrate some skills we can achieve now we have grown e.g. putting on coats, shoes. We will learn how to wash our hands correctly.</p>	<p>I know how to use my senses to compare smells, sounds, tastes and textures. Explore with smells and textures in our nursery garden and in our nursery e.g. (feathers, pine cones, sticks etc.)</p> <p>Learning to eat new foods</p>	<p>All About Me-Learning about appearances, talking about hair colour, skin colour, eye colour, similarities and differences. Creating a positive perception of self and abilities.</p> <p>Family-discuss family types and read stories relating to different families</p> <p>Prayers-Learn to say our prayers and know that prayer time is a time to be quiet and calm.</p>
Expressive Arts and Design		
Creating with Materials	Being Imaginative and Expressive	
<p>Learn how to use new resources and exploring with different materials and ways to create</p> <p>Artist: Elma Thomas (printing shapes)</p>	<p>Poetry Basket -chop chop</p> <p>Instruments-Exploring with Instruments in our nursery environment</p>
